Welcome again to "Sierra Coins" as a subsidiary of Freeman Craig & Company. The 1982 hiatus with Phil Griffey and his computer format ended on New Year's Eve after his realization that being a coin dealer was not "as easy as it often appears." Phil enjoyed working with the coins but found the paperwork and computer programming to be tiresome. Frankly, so do we.

This "lucky list thirteen" includes three different groups of coins among its nearly two thousand selections. First, we included items obtained from Phil; the prices of many of these pieces were reduced to about our cost! Secondly we included the worthwhile pieces from from a collection, assembled in Oakland, which featured a number of pieces that were "common" in 1965-70 but are elusive now. The third lot was a small crown collection which we bought when silver was $7 an ounce and priced at that time (yes, there are some bargains!).

Note that these prices will be honored until the first day of the ANA in August, 1983. By then, many of these "asking prices" will seem very cheap. We expect the 1984 price levels to be 25%-40% above these "late 1982" prices. Think about that before you "wait to order later." Needless to say, most items are one-of-a-kind and are subject to prior sale.

Do notice that the crown section and the minor section are numbered separately. Do indicate which section each item originates from.

Discounts: All orders for $150 or more will be discounted 10%. It does not matter whether the order is for crowns, minors, or both. The $150 figure is based on what you order, not the amount we have available.

Secondarily, a 5% discount is available on order from the minor coin section which total $40-149. This should benefit collectors on a budget.

Orders for over 50 different coins and/or $750 are invited to request a larger discount.

Credit is available upon request. All such invoices require a 25% down payment and random payments over a maximum term of 6 months. The coins are held as collateral and interest accrues at 1% per month.

TERMS OF SALE: Coins are available on approval to established clients with a good payment record. New customers are asked to pay on invoice or to supply adequate financial references with their order. All coins are guaranteed genuine and as described. We offer a two-week unconditional return period. All payments are due within ten (10) days unless other arrangements have previously been made.

POSTAGE AND INSURANCE: We will pay postage and insurance on all domestic U.S. orders received with payment or by telephone. Others will be billed for postage and insurance. Overseas buyers will be billed for postage and a $3.30 registration fee, plus 2% for insurance *except:* 1) On telephone or telegraph orders **we** will pay the postage and registration but not the 2% insurance, and 2) Overseas buyers are welcome to save the 2% insurance fee by insuring the parcel **themselves** and notifying us in advance.

Phone Orders are acceptable but our hours of operation are currently erratic due to a heavy travel schedule. Our 415-381-3313 line has an answering machine attached to it. Feel free to call at 5-6 PM (5-9 PM on the East Coast) in order to reduce your phone charges. Do remember that you can write for just 20¢.

Confirmation of the availability of items is not possible except with 48 hour notice. All items are held in bank vaults.
